

LaPorte Turbo Fundraising Commitment

LaPorte Turbos is a parent run organization run by volunteers. We require all Turbo families to volunteer their time to the club. **All families are required to work at our Maple City Open Water Meet. If you swimmer participates in a dual meet, you are required to work at the meet.** To insure that all families share in the workload, **we are requiring each child to sell a box of candy bars (max two boxes per family). We are requiring each family to pay for the box of candy at registration (\$52) and then you will keep the money as you sell the candy bars. If you do not want to sell the candy we offer a buy-out for \$30 per box (due at registration)** if this causes a hardship please let us know and we can make other arrangements. We try to fundraise as little as possible; however, we cannot function on what we collect in dues. Some of our many expenses include: coaching salaries, sanction fees, insurance, registration fees, and postal fees. The person selling the most boxes of candy will receive a prize at the end of the season.
